User Statistics

Total Users	4,583
Verified Users	2,490
Unverified Users	2,093
Email Alerts Enabled	1,472
SMS Alerts Enabled	1,472

AI Summary

There are 4583 total users, split into 2490 verified and 2093 unverified users. Email and SMS alerts are both enabled for 1472 users.

AI Observations

- All alert types (email and SMS) are enabled for the same number of users, and there are more verified users than unverified users.
