User Statistics

Total Users	4,583
Verified Users	2,490
Unverified Users	2,093
Email Alerts Enabled	1,472
SMS Alerts Enabled	1,472

AI Summary

There are a total of 4583 users in the system, with 2490 being verified and 2093 unverified. Email and SMS alert systems are both enabled for 1472 users.

AI Observations

- The system has a balanced number of users between verified and unverified categories. Both alert systems (email and SMS) are equally enabled for the same number of users.
